DEFINITIONS

Accidental Injury means accidental bodily damage to an insured resulting from an unforeseen and unexpected traumatic event. A Doctor does not include the insured or an insured's family member. In South Dakota however, a doctor who is an employee's family member may treat the insured if that doctor is the only doctor in the area and acts within the scope of his practice. For the purposes of this definition, family member includes the employee's spouse as well as the following members of the employee's immediate family son, daughter, mother, father, sister, and brother. Premium Provisions

Premium Payments

Premiums should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change in premiums.

Premiums on the Group Policy Anniversary Date are determined by the Attained Age of each Employee. The Attained Age rates are shown in the Schedule of Premiums.

Grace Period

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.
